EDUCATION

Worcester Polytechnic Institute (WPI)

Worcester, MA

M.S. in Mechanical Engineering

May 2029

B.S. in Mechanical Engineering

May 2028

Relevant coursework: Continuum Mechanics (graduate), Heat Transfer, Stress Analysis

TECHNICAL SKILLS

Design SOLIDWORKS, Shapr3D, Fusion 360, Autodesk Inventor (basic)

Manufacturing TIG and MIG welding, engineering drawing interpretation

Software & Electronics Python, Swift/SwiftUI, JavaScript, Bluetooth LE, Arduino, Raspberry Pi

ENGINEERING EXPERIENCE

Founder & CEO | EpiSafe LLC

May 2025 – Present

- Designed and prototyped a compact, patent-pending multi-vial auto-injector with a new plunger mechanism using Shapr3D and SOLIDWORKS.
- Developed a SwiftUI companion app and tested Bluetooth Low Energy battery monitoring with physical hardware.
- Implemented recorded phone alerts to saved emergency contacts, sharing the user's location and notification of epinephrine use after injection.
- Won the Wire Group Award at WPI i3 Lab Demo Day (Sep 2025), earning a chance to pitch to the investor group.

Welding Engineering Intern | Steel-Fab, Inc.

May – Jun 2023

- Performed TIG and MIG welding and interpreted engineering drawings to support fabrication of large metal gears for U.S. government ship applications.

PROJECTS

Interactive Qualifying Project | WPI Kyoto Project Center

Aug 2026 – Present

- Research the role of seafood certification in Fukui, Japan, for Fukui Prefectural University; facilitate team meetings and plan stakeholder interviews.

Project Lead | FIRST Tech Challenge Robotics

Aug 2020 – May 2024

- Led a 1-person team to design, program, and test robots; created CAD models and integrated hardware.

LEADERSHIP & ADDITIONAL EXPERIENCE

Marketing Chair | WPI Student Government Association

Jan 2026 – Present

- Manage Instagram and produce promotional graphics and videos, helping gain approximately 500 followers and generate nearly 200,000 views since taking office.
- Created templates for Senate Recap, Club Congress, Club of the Week, and Financial Fridays; designed pep rally posters and contributed to merchandise design.

Community Advisor | WPI Residential Services

Aug 2025 – Present

- Support residents' academic, social, and wellness needs while upholding university policies.

Sports Media Assistant | WPI Athletics

Aug 2024 – Present

- Produce and manage live sports broadcasts for FloSports. Produce Media Days for athletes.

DJ Host & Wedding Assistant | Central Mass Productions

Aug 2024 – Aug 2025

- Hosted live bingo events and supported wedding event production.
